1st Term After-School 2011/2012 Clubs, Activities and Remedial Lessons Starting 11th September

Dear Parents,

Please find attached a list of all the After-School Clubs and Activities on offer 1st Term. I strongly encourage you to enroll your child in at least one as they offer your child excellent opportunities to further their educational development as well as providing training in sports and other leisure activities which are both fun and stimulating! There is even a homework club every day to ensure your child fully understands the assigned work. Maths and English are also offered daily to give your child an extra boost in these core subjects.

The cost is extremely small, only KD 15 per club! I encourage you to register as soon as possible in order to give your child the advantage of participating for the full term.

Regards,

Madame Chantal Al Gharabally
School Director
