Monday 5th September 2011

Dear Parents,

I hope that all of you and your children had a nice summer and a Happy Eid.

Today is the first day of school for this academic year 2011/12 and I would like to welcome all our new students and the returning ones. I know it is a little bit stressful for the very young ones to be in a new environment and to start school but we know that they will settle quickly.

It is very important to get from an early age very good school habits for greater achievement in the future. Attendance and punctuality are key to success, so I will ask all parents to make sure their child/ren will be prompt in school every day and also in full school uniform. I will also ask you to follow strictly the school rules and regulations as this is in the interest of everyone.

Please find enclosed the list of after school activities which will be starting from Sunday 11th of September. I do encourage parents to enroll their child/ren in at least one of those activities as part of support or extension of curriculum for further development socially, physically and artistically.

You will have the opportunity to meet the teachers of your child/ren as a first approach on the 21st September from 6:30 pm to 8:30 pm. This first meeting will be followed later on (end of October) in the term by proper Parent/Teachers Conferences separated per department.

Once again, I wish all the children a very good academic year 2011/12. Do not forget we are here to help and to help your child progress.

Thank you in advance for your trust in choosing Kuwait National English School and for your support throughout the year.

Yours Sincerely,

Madame Chantal Al Gharabally
School Director
