

KNES Primary School Course Outline Year 1 Term 2

Geography Term Overview

1. Where has Poppy Panda travelled to recently
2. Poppy Panda's journeys
3. Describing different places
4. Poppy Panda's travels

This unit looks at different countries and environments. It looks at holiday destinations and what leisure facilities different environments offer tourists. It examines how the weather affects the environment. It also looks at world maps to help the children become more familiar with the world and how best to travel to different countries. The children need to research information from the internet, atlases and maps and look at different forms of recording the information they collect.

Unit Outline Geography

Week	Topic	Learning Outcomes. Students will be able to:-
